

Salt Lake Chapter
NAWIC Meeting

Monday, April 12th

**Presenter: Craig Ahrens, Survey Manager
PSOMIS, Salt Lake City**

Dramatic advances in technology have transformed the surveying profession. This technological explosion has produced some very real advantages: increased productivity, a wider variety of services, a higher-quality work life—and creative solutions for clients. **PSOMIS** is at the forefront of these advances in surveying technology, diversifying beyond the standard survey services.

**Networking at 5:30, Dinner and Speaker at 6:00 pm
Brief business meeting to follow**

Cost \$20.00

**Red Robin Restaurant
316 E. Winchester Blvd. (6400 So)
Murray, UT 84107**

We will be ordering off the Menu
