

Salt Lake Chapter NAWIC

June Membership Meeting

Monday, June 14th

Commercial Interior Design *by Ronda Landa*

Signature designs through form and function.

Ronda Landa is a commercial interior designer and tenant coordinator serving professional services firms, medical facilities and retail tenants. By listening closely to her clients, she helps determine their needs, then crafts a functional space with a signature look. Ronda's interiors are timeless and continue to look fresh years after their construction.
