

Attn: Please forward to all interested ladies & leaders – generals, subs, suppliers, owners, architects, engineers

There will be an informational / organizational meeting to introduce the National Association of Women in Construction and start a NAWIC Chapter in St George, UT on Wed June 24TH at 3:30 PM at  915 South Main (next to the movie theaters) 435-688-2608

See how it needs organized ^ YOU CAN DO IT!!

NAWIC's Core Purpose is to enhance the success of women in the construction industry. Visit NAWIC.org

On Wednesday we will:

- * Introduce NAWIC, visiting their website & publications live
- * Expand your networking beyond and deeper into the companies you do business with
- * Select interim leaders for the chapter in development
- * Choose representative(s) to attend the National Convention in Phoenix in August
- * Introduce Anna Lindsey from the Habitat Store and develop a partnering program
- * Introduce Sue Kimball from H.O.P.E. and develop a partnering program
- * Visit with and have a great time meeting other great leaders in construction
